### What if you became a winemaker...

The MYVINY app is designed for those with numerous questions about the secrets of winemaking and the factors that can make it so diverse based on its origin and culture. You'll uncover the existence of responsible, environmentally conscious agriculture.

### Vinify with MYVINY from your home

Monitor your vineyard with plots equipped with sensors and webcams, communicate with the on-site team, make informed decisions at every stage of grape cultivation, and create your own wine, no matter where you are

### You are now a member of the MYVINY community

It's time to choose your plot and join the guild in charge. Over 18 months, you'll craft your own vintage. It's a genuine training experience in the world of wine, coupled with a social network deeply connected to the vineyard reality

### Explore, learn, create, and taste

You'll receive your wine after your 18 months of organic cultivation!  
Plus: 6 bottles along with their samples that you'll taste live with professionals!

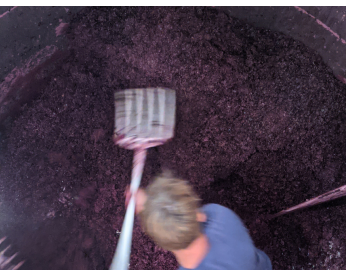

### Focus on a MYVINY vineyard... DOMAINE DE LA BOUVAUDE

At the heart of the Provencal Drôme, in Rousset-les-Vignes, lies our distinctive small estate where the vintner's craft fully unfolds. Here, the winemaking tradition has been rooted for over 2,500 years.

Our wines hold the Côtes du Rhône Villages **Rousset-les-Vignes** appellation and are produced through organic agriculture.

Come and explore the vintner's craft at our estate. We're looking forward to welcoming you!
